

One of the first established bars in the Fremantle Township, The Ball & Chain is a historic venue with a modern take on all things eating and drinking.

We have a small selection of plates with locally sourced ingredients, but our main point of emphasis and our staff's biggest passion is the beverage.

Local Craft Beer from all over Australia with a huge slice of WA influence. Modern creative cocktails with local ingredients, as well as the tried-and-true classics everyone loves. Spectacular wines from across the state and even a few from a couple of others.

Here we strive to showcase all the good things WA and Australia have to offer.

Come in, take a load off and enjoy the good things with us.
