An ancient saying observes "Old men plant trees so the young will have shade". Our philosophy is simple: two old doctors fill casks so everyone can enjoy whiskey.

Whiskey expertly crafted in the Hunter Valley

Our first release from a Hunter Valley Rosebrook ex-Port cask filled on 7th February 2016 and disgorged following six years in our warehouse.

When drinking Two Doctors Whiskey, we always recommend adding a few drops of pure water to your tumbler, ice is optional.
