

# DIRECTIONS

getting there

Follow the directions on our map until you reach the large Walking Trail entry sign.

You may start your journey on our ambient Creek Walk, or turn right and continue on the gravel road to skip straight to the scenic Vineyard Walk.

From then, just follow the signs and trail.

# your ADVENTURE

Explore our walking trail along the Creek Trail and enjoy the luscious greens around our resort.

Continue onto the sprawling estate and see what makes the Hunter Valley great.

On the trail, you'll pass our expansive golf course, Jade Estate vineyard, the Valiant and our powering Solar Farm. There is also a fair chance you'll spot a kangaroo or two.

Be sure to watch your surroundings, wear sunscreen, enclosed shoes, and a hat and pack water before your take that adventure out on our estate.

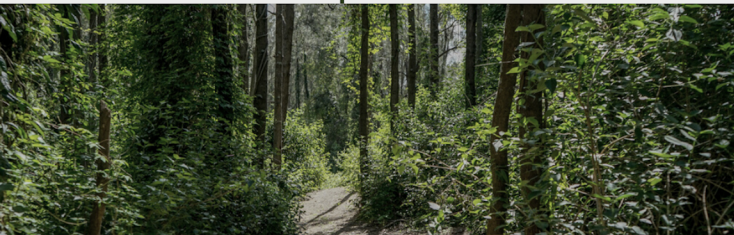

- DON'T FORGET YOUR TRAIL MAP -

## WALKING TRAIL

## EXPERIENCE our sprawling estate

Creek Trail: 15 minutes 1 km  
Vineyard Trail: 30 minutes 2 km  
Estate Trail: 90 minutes 5 km

## CREEK TRAIL

15 minutes | 1 km

Enjoy a short stroll through our ambient creek and enjoy the natural sounds of flowing water and birds' tranquil calls.

Follow the path until you see the creek with rock beds. Don't cross the creek and continue left until you come to a white bridge.

When crossing the white bridge, continue until you reach open space. Turn right to stay on the Creek Trail path or turn left to start your Vineyard Trail towards The Valiant.

Continue on the dirt road for another 100m until you see a sign directing you back into the Creek Trail.

Follow the trail back and continue on the path until you see the familiar rock bed crossing. Continue to return to the Walking Trail entry.

## VINEYARD TRAIL

30 minutes | 2 km

Take a brisk, scenic walk along the Jade Estate vineyard, and next to our pond and Valiant lookout point.

On this trail, you will come across a tugboat called the Valiant, the far extent of our golf course, and the wonderful view of Broken Back Mountain in the distance.

### Jade Estate

Jade Estate covers 22 Hectares (52 acres) and is the vineyard that produces our delicious house wine. On your walk, you'll walk through the vines towards one of our star locations.

### The Valiant

The Valiant was built in 1938 and used during World War II in Papua New Guinea. It has since been retired and resides on the grounds of the resort.

To end your Vineyard Trail, stay on the trail and follow the signs back to reception. Or extend your walk and follow the signs to continue the Estate Walk.

## ESTATE TRAIL

90 minutes | 5 km

Our Estate Trail takes you to the far extents of the property, showcasing true natural beauty of the Hunter Valley

### The Solar Farm

Early in the walk, you'll walk past the Solar Farm. Our Solar Farm has over 13,000 panels that power the hotel and temperate the main resort pool and water park.

Follow the trail and keep on the path. During the walk, you'll pass through two gates until you reach a T section, where you'll turn left.

Walk for another 200m until you reach a gate. Slip through the side fence on the left and continue left down Wills Hill Road.

Proceed down the dirt track for another 1.5km. Turn left once the vineyard ends and slip through the gate to return to our estate.
